Redefining Elegance through Furniture

And Daughters

Rajdhani crafts, an existing brand of wood and furniture, is one of its kind, since 1964. Marking its name on the world map by doing everything inhouse and employing thousands of labour. Without any doubt, largest furniture factory of Asia.

And Daughters: Breaking the norm of hearing and “&” for sons all our lives; making and claiming our dreams and space to rise and shine. .Hoping to deliver the best of the best to our customers, and live our dream fully and truly.

Lakkad: a big chunk/plank/log of wood.
Because basics are our life saviors;).

Gharana: Ghar, Family, Lineage of artists sharing
same style that traces to a particular artist or region.

We are pleased to introduce our 'लकड़ घराना'—a treasure trove of woods meticulously dried and seasoned from India's diverse regions and beyond.

"Dedicated to delivering the utmost quality to our valued customers while wholeheartedly embracing and manifesting our dream."

About us:

The RCD, a leading furniture company, specializes in serving the hospitality sector. Our focus is on delivering high-quality products and outstanding customer service, all at competitive prices. We offer a diverse range of European and international brands designed for commercial, hotel, and residential applications, with a dedicated team collaborating closely with professionals to ensure project success. We stand ready to provide personalized solutions for your specific project needs. Your satisfaction is our priority.

Who we are:

At The RCD, we seek to be one of the nation's top firms for hospitality and furniture supplies by adhering to a rather simple philosophy: provide a product of exceptional quality at similarly exceptional rates. That principle's simplicity is backed up by a lot of hard effort and years of expertise.

Satisfaction:

Over the years, we've learned that customer happiness can be distilled into three simple words: consistency, consistency, and consistency. By meticulously attending to even the tiniest details in every aspect of our service, we've maintained high levels of client satisfaction. It's this unwavering commitment to delivering consistently exceptional service that has earned us a loyal and growing base of repeat customers.

Wooden Furniture

Presenting our wooden furniture collection, ideal for those in pursuit of the utmost quality furniture constructed from Teak, Sheesham, Acacia, Walnut and Oak wood & veneer .

Our range encompasses a variety of beds, wardrobes, chairs, tables, sofas, mirrors, doors and benches that cater to the needs of hotel clients.

Rattan Furniture

Our synthetic rattan furniture is designed to withstand even the most challenging weather conditions. We use only the finest materials to ensure that each piece of furniture is built to last. Our high-grade metal structures are woven with the world's best synthetic fiber, providing exceptional durability and strength. To protect against rain and moisture, we upholster our furniture with imported waterproof fabric. This ensures that your furniture stays dry and looking great, no matter what the weather throws at it. Our synthetic rattan furniture is the perfect choice for outdoor living.

Upholstery Furniture

Our wide range of upholstery options is designed to enhance the comfort and style of hotel rooms. Whether you are looking for bed, sofas, chairs, or ottomans, we have the perfect pieces to complement your hotel's aesthetic. Our upholstery furniture is crafted with the highest quality materials, ensuring durability and longevity.

Additionally, our upholstery options are available in a variety of colors and patterns, allowing you to customize your hotel rooms to match your desired ambiance.

Metal Furniture

Metal furniture is the perfect solution to the problem of wobbly tables. With its sturdy construction, you can rest assured that your table will remain stable and secure. Not only is metal furniture great for indoor use, but it's also perfect for outdoor spaces. It's resistant to weather and can withstand the elements, making it ideal for your indoor or garden. Metal furniture is also incredibly versatile, available in a wide range of styles and designs to suit any taste. So whether you're looking for a modern, sleek look or something more traditional, there's sure to be a metal furniture option that's perfect for Hotel.

Resin Furniture

Resin, a highly robust and high-quality plastic material used in outdoor furniture, is exceptionally waterproof, rust-proof, and rot-proof, making it the ideal, low-maintenance pool and patio furniture.

LED Light's

We are a leading manufacturer of LED lights in the hotel industry, specializing in the production of high-quality LED lights. Our lights are designed with both style and functionality in mind, ensuring that they not only enhance the aesthetic appeal of any space but also provide efficient and long-lasting illumination.

Whether you are looking to upgrade the lighting in your hotel, restaurant, or any other commercial space, our designer LED lights are the perfect choice. With a wide range of styles and sizes available, we have something to suit every need and preference. From sleek and modern designs to more traditional and elegant options, our collection has it all.
